

BALL PLAYERS' HOSPITAL

Dr. Commissioner Whitney has secured permission to the American Red Cross Society to maintain a hospital for ball players and golfers at Van Cortlandt Park, New York, and the hospital has been opened on Sunday and legal holidays only.

KEEP CLEAN INTERNALLY

Over 300,000 People Are Now Doing So

For many years physicians have agreed that 95% of human life was caused by accumulated waste in the Lower Intestine; that in our present way of living Nature could not remove all this waste without assistance, no matter how regular we might be, and that the poison from this waste circulating through the blood pulled us 'way down' and was responsible for many diseases of a serious nature.

During this time the "J. B. L. Cascade" for Internal Bathing has, because of their recommendation and those of the doctors, been steadily growing in favor. Recently, however, the startling news which has been covering the country that great surgeons and specialists have been operating on the Lower Intestine in such serious diseases as Tuberculosis and attribute such conditions of chronic ill health as Nervous Debility and Rheumatism to this cause, also saying that these poisons are favorable to the development of Cancer and Tuberculosis (see New York Times of January 14th), has caused Americans to become thoroughly awake to the importance of keeping this Lower Intestine free from all poisonous waste matter, and over three hundred thousand are now using Internal Baths.

If you try the "J. B. L. Cascade" you will find yourself always bright, confident and capable; the poisonous waste matter as bilious, blue, dull and nervous. Internal Baths are Nature's own cure for Constipation—just warm water properly applied. Drugs force Nature—the "J. B. L. Cascade" gently assists her.

OLIVE FREMSTAD MAY QUIT METROPOLITAN, IT IS REPORTED.

Mrs. Olive Fremstad, the soprano, may not be a member of the Metropolitan Opera for next season, it was learned today. Her three-year contract, calling for forty performances a season, ends this year and there is little likelihood it will be renewed in its present form. If not, however, she will be heard at the Metropolitan next season in a number of special performances, probably ten or fifteen, in her Wagnerian roles.

Mrs. Fremstad was engaged in 1905 by Heinrich Conried, and she is generally regarded as an American singer, although she was born in Stockholm, Sweden. She spent her early life in Minnesota. Her "Season" in the season of 1906-07 gave her special prominence. Her first appearance at the Metropolitan was as Carmen.
